STANLEY MUSEUM OF ART
NEW HOME, NEW VISION

Thursday, February 2 | 5:30 - 7 p.m.
UI Stanley Museum of Art

Come early and enjoy a pre-show reception from 5 - 5:30 p.m.

Our guests will help us move beyond the surface of some of the museum’s most prized works to better understand their origin, their importance in the larger constellation of artistic movements, and their ability to engage the viewer in the language of artistic expression.
