

Office of Undergraduate Research

Welcome back!

We would like to take a moment to announce a very exciting change that took place of the summer: **ICRU is now OUR!**

Our name has changed, and we are now the Office of Undergraduate Research. The email has also been updated undergraduate-research@uiowa.edu so please take a moment to update your email contacts.

We are very excited about this change and can't wait to continue our mission to promote undergraduate involvement in research and creative projects at the University of Iowa.

We will be revamping our "Update" emails but we wanted to make sure everyone is up to date on our name change and what is happening the first few weeks of the semester!
